

ROWLAND UNIFIED SCHOOL DISTRICT
1830 S. NOGALES STREET
ROWLAND HEIGHTS, CA 91748

ADDENDUM 2
FOOD SAFETY TRAINING & CLEANING SUPPLIES
RFP BID# 2019/20:(R1)

AUGUST 2, 2019

TO ALL PROSPECTIVE BIDDERS:

Note: *The following Addendum shall become part of the contract documents and the bidder shall provide for all work as required by this Addendum. Acknowledge receipt of the Addendum on the Bid Proposal Form.*

Specifications/Clarifications:

1. Page 4: g. replace with: g. Provide the department of Pesticide Regulation approved curriculum and exam to all Nutrition Services employees annually, as required by Pesticide Training per Healthy School Act of 2016 Amendment.
2. Page 27: Use attached Cost Proposal form 2019-2020 in place of Cost Proposal Form which was provided in the original document. Annual cost for nine (9) service visits has been changed to eight (8).
3. Bidder must provide MSDS sheet for product line along with the samples. Along with the sample provide cost per gallon of product.
4. Bidder must submit proof of training modules referenced to on page 4 along with indication of their contribution to the USDA Professional Standards Mandated training.
5. Bidder must submit certification to teach the required Pesticide Training per Healthy School Acts of 2016 Amendment. (referenced on page 4)
6. In the reference section bidder must submit at least two (2) schools districts for which it provides cleaning supplies.
7. Bidder must submit documentation of service visit check off list and reports that provide functional support for food service in the area of employee performance, maintenance and operations, and non-compliance issues that affect districts' food safety and sanitation components.
8. **Question: Do you have a recap on your current vendor of the services and yearly spent info?**
Answer: We currently have a contract with our provider for services and supplies for a yearly amount of \$43,000.00. Our current vendor prepares a service schedule with objectives and timelines; and provides education, training, materials, services and reports. The following is a recap of some of our current provider's services:
 - a) Education on food safety and sanitation education programs
 - b) Education training modules mandated by USDA Professional Standards
 - c) National Restaurant Association training
 - d) Cleaning products and OSHA approved dispensing system
