**ADDENDUM 2**  
INTERNAL CONNECTIONS ACQUISITION-CATEGORY II  
RFP/Q No. 2023/24 (E7)

JANUARY 26, 2024

TO ALL PROSPECTIVE BIDDERS:

Note: *The following Addendum shall become part of the contract documents, and the bidder shall provide for all work as required by this Addendum. Acknowledge receipt of the Addendum on the Bid Proposal Form.*

**Specifications/Clarifications:**

1. **New bid submission date:** The RFP due date has been extended from February 9, 2024, to **February 23, 2024, no later than 10:00 a.m.**
2. Please utilize the attached **Addendum 2 Exhibit A Form and Addendum 2 Attachment A Bid Form** to submit your proposals instead of the two forms in the original RFP.
3. **Question:** The RFP specifies that the switches should have a minimum of 1000W of POE+ power. The default configuration with one power supply only provides 740W of POE+ power. Do you require a second power supply that will increase the POE+ output to 1440W?  
**Answer:** The default configuration of 740W of POE+ is acceptable and will not need a secondary power supply.

Responses to RFI's will be provided via addenda posted on the district's website at [www.rowlandschools.org](http://www.rowlandschools.org) and to Form 470 through the E-rate Productivity Center (EPC) online at <https://data.usac.org/publicreports/Forms/Form470Rfp/Index>.

It is the vendor's responsibility to check the district's website and EPC for any addendum before submitting their proposal.
