Winterfest String Concert & Fundraiser

Monday, December 5, 2011 at 6 p.m. – STC Center

Dear Rowland Unified Parents and Supporters,

Please come to our annual Winterfest String Concert on Monday, December 5, 2011 and enjoy a wonderful evening of music, food and community! String students and music teachers alike are excited and in the process of rehearsing and planning our only string fundraiser for the school year. Students from all levels of string instruction will be entertaining us: high school; honor orchestra; advanced; intermediate and beginners!

Organizing an event such as this is a huge task, and the help of volunteer parents is essential in order to have the evening come together smoothly. We urge you to add your name to our volunteer list! Please check "Yes" on the reverse side of this flyer to be added to our list. Our sincere thanks!

The STC Center – Season's Place has donated their new Banquet Room for our use. Our Winterfest dinner will be catered this year, so please get your reservations in early. We will then be able to order the correct amount of food. **Discount tickets are available until November 29th, 2011. If your student is performing at Winterfest, the ticket price for his/her dinner will be \$10.00.**

Looking forward to a wonderful musical evening!

Your RUSD String Instructors,

Karen Blackburn, Phil Glenn, Darlene McGrady, Richard Schermer and Laura Tovar
