

CANCER PREVENTION STUDY-3

Research today for a cancer-free tomorrow.

YOU ARE INVITED

Have you been impacted by cancer, whether it be yourself or a loved one?

Are you passionate about helping to discover better ways to prevent, treat, and hopefully cure cancer?

The American Cancer Society's Pasadena office is currently recruiting volunteers who are willing to serve as a Cancer Prevention Study-3 (CPS-3) Community Champion.

Please join us for a kick off event!

**Tuesday, February 26, 2013 from 4:30-5:30pm
Rowland Unified School District Office, Board Room
1830 Nogales Street, Rowland Heights, CA 91748**

At the Kickoff, you will be presented with all the information you need to help educate the community about CPS3.

Whether you are a Survivor, Caregiver to a cancer patient, or are interested in honoring a friend or loved one who has battled cancer, you are invited to serve as a CPS-3 Champion. As a volunteer champion, you will be making a difference by supporting this once-in-a-generation, historic research study.

RSVP at 626.795.7774, opt. 3 or mary.fenster@cancer.org
