

The cure for blood cancer looks exactly like you.

Join the Be The Match Registry®.

Marrow donors in your community are urgently needed to save the lives of patients with diseases like leukemia, lymphoma or sickle cell anemia. Patients are most likely to match someone who shares their ethnic background.

Esmund, a 9 month old, son and brother, was recently diagnosed with a rare blood disease, Thalassemia. He is reaching out to you for help. To treat his life-threatening illness, Esmund needs a bone marrow transplant. No one in Esmund's family is a match and they are searching the national registry for matches. We are asking you to help Esmund and thousands of other patients in need a bone marrow transplant. Join us at the event to register to be a donor through BE THE MATCH Registry and see if you are a match for Esmund or any patient in need. There is a match out there somewhere for every patient...you could be the one to save a life!

Marrow Donor Registry Drive, Ages 18 to 44

Date: Monday, September 23, 2013

Time: 8:00am – 2:00pm

Location: Rowland Adult & Community Education
2100 Leron Ave
Rowland Heights, CA 91748
